Rockville, Maryland

MEMORANDUM

To: Ms. Megan M. McLaughlin, Principal  
A. Mario Loiederman Middle School

From: Mary J. Bergstresser, Supervisor, Internal Audit Unit

Subject: Report on Audit of Independent Activity Funds for the Period  
June 1, 2021, through December 31, 2022

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are established to promote the general welfare, education, and morale of students, as well as to finance the recognized extracurricular activities of the student body. School principals are the fiduciary agents for the IAFs charged with determining the manner in which funds are raised and expended for activities such as field trips, admission events, and fundraisers. They are responsible for ensuring that the IAFs are administered in accordance with Board of Education policies and MCPS regulations and procedures.

The IAF audits are conducted regularly to evaluate compliance with policies, regulations, and procedures, and to review processes for continuous improvement. Generally accepted audit procedures guide the work of the auditors who examine samples of the IAF records and financial accounts selected from documentation of various activities to verify their accuracy, as well as to assess the effectiveness of financial control procedures. An IAF audit does not review every transaction or school activity but seeks to provide reasonable assurance that any significant errors or omissions in the financial records are detected.

At our February 15, 2023, meeting with you, and Mrs. Heather K. Alonzo, school financial specialist (financial specialist), we reviewed the prior audit report dated July 6, 2021, and the status of present conditions. This audit report presents the findings and recommendations resulting from our examination of the IAF records and financial accounts for your school for the period designated above.

Findings and Recommendations

MCPS Form 280-54, *Independent Activity Funds Request for a Purchase*, is used to obtain principal approval to proceed with an intended purchase. The purpose of each disbursement must be fully explained on this form in order to properly record expenditures in appropriate accounts, and to ensure that expenditures comply with IAF requirements. Invoices for goods or services must be signed by the purchaser to indicate satisfactory receipt. The financial specialist will then

mark the documentation as “paid” prior to disbursing the funds. In your action plan you indicated that all purchases would be pre-approved on MCPS Form 280-54 when verbal approval is sought. In our sample of disbursements, we found instances in which purchases were not preapproved, and invoices and online purchase confirmations were not always signed by the receiver to indicate goods or services were received, and that payment could be processed. We recommend that MCPS Form 280-54 be prepared by staff with an estimate of expected expenditure, and signed by the principal at the time verbal approval is sought. We also recommend that when goods are received at the school that the purchase be verified as complete by the recipient and that the invoice/packing slip be marked “received” and sign/dated by the recipient. Requiring invoices to be marked “received” ensures that goods or services have been satisfactorily received prior to payment.

In order to properly control receipts, cash and checks collected by sponsors for IAF activities must be remitted promptly and intact to the financial specialist along with a remittance slip. Cash must be counted in the presence of the remitter, and a receipt that is supported by the remittance slip must be issued promptly. These receipts must be deposited promptly, and all receipts must be deposited on the last working day of each month and before each weekend or holiday (refer to the *MCPS Financial Manual*, chapter 7, pages 4-5). In the event funds cannot be verified immediately upon remittance, the remitter will seal the funds in an envelope in such a manner that tampering will be evident, and give the sealed envelope to an administrator to secure in the business office safe. Verification of these funds must be conducted in the presence of the remitter or another staff member by the next business day. In your action plan you indicated that your financial specialist would check in daily with sponsors who are collecting funds. We found that some sponsors were holding funds collected rather than remitting them to the financial specialist on a daily basis. We also noted at times that the financial specialist was not making timely deposit and holding money in excess of permitted amounts. To minimize the risk of loss and provide assurance that available funds will be fully utilized to meet school needs, all funds collected must be remitted daily to the financial specialist. These receipts must be deposited promptly, and all receipts must be deposited on the last working day of each month and before each weekend or holiday.

#### Notice of Findings and Recommendations

- Purchase requests must be approved by the principal prior to procurement (**repeat**).
- Purchaser must confirm receipt of goods or services prior to disbursement.
- Funds collected by sponsors must be promptly remitted to the financial specialist (**repeat**).
- Financial specialist must make bank deposits of funds in excess of permitted amounts, by the end of the month, and before each weekend or holiday.

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, *Accounting for Financial Operations/Independent Activity Funds*, using the attached action plan, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Mrs. Michelle E. Schultze, acting director of school support and well-being, Office of Student Support and Well-Being, for written approval of your plan. Based on the audit recommendations, Mrs. Schultze will indicate whether she will conduct an electronic review of your action plan or schedule a time to meet in person with you and your financial specialist to support you with developing a well-defined plan to address the findings.
