Internal Audit Unit MONTGOMERY COUNTY BOARD OF EDUCATION Rockville, Maryland

May 24, 2021

MEMORANDUM

To: Mr. Craig O. Jackson, Principal

Woodlin Elementary School

From: Mary J. Bergstresser, Supervisor, Internal Audit Unit

Subject: Report on Audit of Independent Activity Funds for the Period

March 1, 2018, through March 31, 2021

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are established to promote the general welfare, education, and morale of students, as well as to finance the recognized extracurricular activities of the student body. School principals are the fiduciary agents for the IAFs charged with determining the manner in which funds are raised and expended for activities such as field trips, admission events, and fundraisers. They are responsible for ensuring that the IAFs are administered in accordance with Board of Education policies and MCPS regulations and procedures.

The IAF audits are conducted regularly to evaluate compliance with policies, regulations, and procedures, and to review processes for continuous improvement. Generally accepted audit procedures guide the work of the auditors who examine samples of the IAF records and financial accounts selected from documentation of various activities to verify their accuracy, as well as to assess the effectiveness of financial control procedures. An IAF audit does not review every transaction or school activity but seeks to provide reasonable assurance that any significant errors or omissions in the financial records are detected.

At our May 14, 2020, virtual meeting with you and Mrs. Mercedes I. Alvarado, school administrative secretary (secretary), we reviewed the prior audit report dated March 28, 2018, and the status of present conditions. This audit report presents the findings and recommendations resulting from our examination of the IAF records and financial accounts for your school for the period designated above.

Findings and Recommendations

Aggregate school expenditures of IAF activities for the procurement of refreshments in connection with meetings and staff appreciation items may not exceed \$60 per individual staff member, per fiscal year, without the prior written authorization from the Office of Finance (OOF) (refer to the MCPS Financial Manual, chapter 20, page 5). These expenditures must be appropriately recorded in accordance with the IAF chart of accounts. We found expenditures for these items were

incorrectly classified and recorded in various accounts. Such commingling increases the time required to determine whether or not guidelines have been followed and decreases the value of your financial reports in monitoring for proper compliance. We found that you exceeded the total amount allowed in Fiscal Year (FY) 2019 and 2020, without the approval of the OOF. We recommend that you adhere to the MCPS requirements, as well as correctly classify and record these transactions for more accurate accountability.

Notice of Findings and Recommendations

• Staff appreciation and meeting refreshment expenditures must be correctly classified and recorded, and stay within the school's allocation.

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, *Accounting for Financial Operations/Independent Activity Funds*, using the attached action plan, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Dr. Peter O. Moran, director of learning, achievement, and administration, Office of Teaching, Learning, and Schools, for written approval of your plan. Based on the audit recommendations, Dr. Moran will indicate whether he will conduct an electronic review of your action plan or schedule a time to meet in person with you and your secretary to support you with developing a well-defined plan to address the findings.
