MEMORANDUM

To:           Mr. Robert Sinclair Jr., Principal
               James Hubert Blake High School

From:         Roger W. Pisha, Supervisor, Internal Audit Unit

Subject:      Report on Audit of Independent Activity Funds for the Period
               December 1, 2017, through November 30, 2018

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are
established to promote the general welfare, education, and morale of students, as well as to finance
the recognized extracurricular activities of the student body. School principals are the fiduciary
agents for the IAFs charged with determining the manner in which funds are raised and expended
for activities such as field trips, admission events, and fundraisers. They are responsible for
ensuring that the IAFs are administered in accordance with Board of Education policies, MCPS
regulations, and procedures.

The IAF audits are conducted regularly to evaluate compliance with policies, regulations, and
procedures, and to review processes for continuous improvement. Generally accepted audit
procedures guide the work of the auditors who examine samples of the IAF records and financial
accounts selected from documentation of various activities to verify their accuracy as well as to
assess the effectiveness of financial control procedures. An IAF audit does not review every
transaction or school activity but seeks to provide reasonable assurance that any significant errors
or omissions in the financial records are detected.

At our January 4, 2019, meeting with you; Miss Marie L. Koch, assistant principal; and
Mrs. Sandra P. Mantua, school business administrator, we reviewed the status of the conditions
described in our prior audit report dated January 25, 2018, and the status of present conditions.
This audit report presents the findings and recommendations resulting from our examination of
the IAF records and financial accounts for your school for the period designated above.

Findings and Recommendations

Independent contractors or consultants working in schools must comply with all laws and MCPS
requirements set forth in the Procurement Manual. MCPS Form 280-49a, Authorization for
Consultant/Independent Contractor (Vendor) Services Paid with Independent Activity Funds
(IAF), is used to document authorization/approval for all consultant/independent contractor
services paid with IAF. We found that this form was completed after the work of a contractor had
already begun. We recommend that the project manager initiate MCPS Form 280-49a before the
work is started to document the authorization and approval to pay a consultant/independent contractor with IAF (refer to MCPS Financial Manual, chapter 15, page 2).

MCPS Form 280-46, Independent Activity Funds Request for Payment to MCPS Employees for Services (Work) Performed, is used to request payment from MCPS operating budget funds that will be reimbursed by a school’s IAF for work that an MCPS employee performs outside of the employee’s regular duty day. Use of MCPS Form 280-46 must be in accordance with MCPS pay rate guidelines and payroll processes (refer to MCPS Regulation DIA-RB, Payments for Services and Reimbursements for Expenses from School Independent Activity Funds). We found MCPS Forms 280-46 indicating that MCPS employees had performed work outside of their regular duty day with no documentation to verify the actual hours worked, days worked, and duties performed. We also found some MCPS employees received an Extracurricular Activities (ECA) stipends in addition to being paid on MCPS Form 280-46 for the same services. We recommend that you review your process for paying employees for work performed outside of their regular duty day and pay in accordance with MCPS guidelines.

Summary of Recommendations

- MCPS Form 280-49a must be completed before work is started to document authorization and approval.
- Work performed outside the regular duty day must comply with MCPS guidelines.

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, Accounting for Financial Operations/Independent Activity Funds, using the attached form, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Mr. Brian W. Scriven, director of learning, achievement, and administration, Office of School Support and Improvement. Based on the audit recommendations, Mr. Scriven will indicate whether he will conduct an electronic review of your action plan or schedule a time to meet in person with you and your school financial agents to support you with developing a well-defined plan to address the findings.
