MEMORANDUM

To: Mrs. Brandice C. Heckert, Principal
    Winston Churchill High School

From: Mary J. Bergstresser, Acting Supervisor, Internal Audit Unit

Subject: Report on Audit of Independent Activity Funds for the Period
        July 1, 2018, through October 31, 2019

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are
established to promote the general welfare, education, and morale of students, as well as to finance
the recognized extracurricular activities of the student body. School principals are the fiduciary
agents for the IAFs charged with determining the manner in which funds are raised and expended
for activities such as field trips, admission events, and fundraisers. They are responsible for
ensuring that the IAFs are administered in accordance with Board of Education policies, MCPS
regulations, and procedures.

The IAF audits are conducted regularly to evaluate compliance with policies, regulations, and
procedures, and to review processes for continuous improvement. Generally accepted audit
procedures guide the work of the auditors who examine samples of the IAF records and financial
accounts selected from documentation of various activities to verify their accuracy, as well as to
assess the effectiveness of financial control procedures. An IAF audit does not review every
transaction or school activity, but seeks to provide reasonable assurance that any significant errors
or omissions in the financial records are detected.

At our December 11, 2019, meeting with you; Ms. Lisa L. Wellek, school business administrator;
and Ms. Stephanie J. Dorah, school financial specialist, we reviewed the prior audit report dated
November 13, 2018, and the status of present conditions. This audit report presents the findings
and recommendations resulting from our examination of the IAF records and financial accounts
for your school for the period designated above.

Findings and Recommendations

Use of the MCPS purchasing card must be in accordance with the requirements of the MCPS
Purchasing Card User’s Guide. By the fifth business day of the following month, cardholders
must use the online reconciliation program to identify, describe, and review transactions. Monthly
statements, or the statement of account landscape report, must be printed and provided to the
principal, with all purchase receipts and invoices attached. The principal must review each
cardholder's transactions and approve them by the tenth of the following month, using the online reconciliation program. We found that some cardholders had not promptly prepared their monthly statements, provided description of items purchased, indicated IAF account number when required, attached their purchase receipts, or reviewed their transactions in the online reconciliation program. We also found that the principal had not approved all transactions online. Action must be taken to correct these conditions and bring purchasing card usage into conformity with MCPS requirements.

Admission receipts for school events should be controlled according to MCPS Regulation DMB-RA, *Control of Admission Receipts*. These events must be controlled with serially numbered tickets, separation of duties, use of the required MCPS Form 280-50, *Tickets and Cash Report of Admissions Manager*, for tracking and reconciling sales, and perpetual inventory of tickets. For ticketed events, the forms on file appeared to have been initiated after the conclusion of the activity, rather than when tickets were issued by the ticket controller to the admissions manager each day of sales. Other weaknesses include the use of the same ticket for different admission prices at the same event. We recommend that procedures for sale of tickets be reviewed with appropriate staff prior to events and that admission to all events be controlled in accordance with the above cited regulation.

Notice of Findings and Recommendations

- Purchase card activity must comply with the MCPS *Purchasing Card User's Guide*.
- Admission events must be controlled in accordance with MCPS Regulation DMB-RA.

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, *Accounting for Financial Operations/Independent Activity Funds*, using the attached form, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Dr. Peter O. Moran, director of learning, achievement, and administration, Office of School Support and Improvement. Based on the audit recommendations, Dr. Moran will indicate whether he will conduct an electronic review of your action plan or schedule a time to meet in person with you and your school administrative secretary to support you with developing a well-defined plan to address the findings.
