MEMORANDUM

To: Mr. Scott R. Steffan, Principal
    Highland Elementary School

From: Roger W. Pisha, Supervisor, Internal Audit Unit

Subject: Report on Audit of Independent Activity Funds for the Period
          September 1, 2014, through September 30, 2017

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are
established to promote the general welfare, education, and morale of students as well as to finance
the recognized extracurricular activities of the student body. Principals are the fiduciary agents
for the IAFs and are charged with determining the manner in which funds are raised and expended
for activities such as field trips, admission events, and fund-raisers. They are responsible for
ensuring that the IAFs are administered in accordance with MCPS policies, regulations, and
procedures.

The IAF audits are conducted regularly to evaluate compliance with MCPS policies, regulations,
and procedures, and to review processes for continuous improvement. Generally accepted audit
procedures guide the work of the auditors who examine samples of the IAF records and financial
accounts selected from documentation of various activities to verify their accuracy as well as to
assess the effectiveness of financial control procedures. An IAF audit does not review every
transaction or school activity but seeks to provide reasonable assurance that there is compliance
with MCPS policies, regulations, and procedures and that any significant errors or omissions in
the financial records are detected.

At our October 25, 2017, meeting with you and Mrs. Miriam D. Stewart, school administrative
secretary, we reviewed the status of the conditions described in our prior audit report dated
November 3, 2014, and the status of present conditions. This audit report presents the findings and
recommendations resulting from our examination of the IAF records and financial accounts for
your school for the period designated above.

Findings and Recommendations

Effective internal control includes the receipt and review by the principal of the unopened monthly
bank statement, bank reconciliation report and ledger reports in a timely manner. Review of these
important reports must be evidenced by the principal’s signature and date. We noted instances in
which the principal’s review was not accompanied by a date that could assure review was being
completed on a timely basis. We also noted instances in which the monthly report was prepared more than 20 days after the end of a month. We recommend you initiate a process that ensures this important internal control process is properly documented and occurs monthly in a timely manner (refer to MCPS Financial Manual, chapter 20, page 9).

Sponsors of field trips should keep records of the names of trip participants with the amount collected from each, and provide this information to the administrative secretary when all fees have been collected. MCPS Form 280-41, Field Trip Accounting, or an equivalent accounting form, should be used for this purpose. We found the data required to enable reconciliation of field trip accounts was not always provided by sponsors. We recommend MCPS Form 280-41, or an equivalent accounting form be provided to the school administrative secretary when all fees have been collected (refer to MCPS Financial Manual, chapter 20, page 10).

Summary of Recommendations

- The principal should initiate a process that insures monthly reports are prepared and reviewed in a timely manner.
- Field trip records prepared by sponsors must provide comprehensive data to account for all students eligible to participate and to reconcile funds collected with costs of the trip (repeat).

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, Accounting for Financial Operations/Independent Activity Funds, using the attached form, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Mr. Mathew A. Devan, director of school support and improvement of elementary schools. Based on the audit recommendations, Mr. Devan will indicate whether he will conduct an electronic review of your action plan or schedule a time to meet in person with you and your school administrative secretary to support you with developing a well-defined plan to address the findings.
