MEMORANDUM

To: Mr. Christopher A. Wynne, Principal  
Dr. Martin Luther King Jr. Middle School

From: Roger W. Pisha, Supervisor, Internal Audit Unit

Subject: Report on Audit of Independent Activity Funds for the Period  
March 1, 2016, through October 31, 2017

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are  
established to promote the general welfare, education, and morale of students as well as to finance  
the recognized extracurricular activities of the student body. School principals are the fiduciary  
agents for the IAFs and are charged with determining the manner in which funds are raised and  
expended for activities such as field trips, admission events, and fund-raisers. They are responsible  
for ensuring that the IAFs are administered in accordance with MCPS policies, regulations, and  
procedures.

The IAF audits are conducted regularly to evaluate compliance with MCPS policies, regulations,  
and procedures, and to review processes for continuous improvement. Generally accepted audit  
procedures guide the work of the auditors who examine samples of the IAF records and financial  
accounts selected from documentation of various activities to verify their accuracy as well as to  
assess the effectiveness of financial control procedures. An IAF audit does not review every  
transaction or school activity but seeks to provide reasonable assurance that there is compliance  
with MCPS policies, regulations, and procedures and that any significant errors or omissions in  
the financial records are detected.

At our December 7, 2017, meeting with you and Mrs. Jean A. Marshall, school financial specialist,  
we reviewed the status of the conditions described in our prior audit report dated April 12, 2016, and the status of present conditions. This audit report presents the findings and  
recommendations resulting from our examination of the IAF records and financial accounts for  
your school for the period designated above.

Findings and Recommendations

Cash and checks collected by sponsors and others for IAF activities should be remitted promptly  
to the school financial specialist. These receipts must be deposited promptly, and all receipts must  
be deposited on the last working day of each month and before each weekend or holiday (refer to  
MCPS Financial Manual, chapter 7, pp. 4-5). We found that some sponsors were holding funds
collected rather than remitting them to the school financial specialist on a daily basis. We also noted that at times the school financial specialist held funds over a weekend or holiday. Infrequent deposits increase the possibility of a loss of funds as well as diminishes the school’s ability to pay for activities in a timely manner. To minimize the risk of loss and provide assurance funds will be available to meet school needs, we recommend that all funds collected should be remitted to the school financial specialist daily (refer to the MCPS Financial Manual, chapter 7, page 4). In addition, we recommend that all remittances on hand must be deposited before each weekend or holiday.

Summary of Recommendations

- Funds collected by sponsors must be promptly remitted to the school financial specialist.
- All remittances on hand must be deposited before each weekend or holiday.

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, Accounting for Financial Operations/Independent Activity Funds, using the attached form, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Dr. Michael J. Zarchin, director of school support and improvement of secondary schools. Based on the audit recommendations, Dr. Zarchin will indicate whether he will conduct an electronic review of your action plan or schedule a time to meet in person with you and your school administrative secretary to support you with developing a well-defined plan to address the findings.
