MEMORANDUM

To: Dr. Edgar E. Malaker, Principal
Montgomery Village Middle School

From: Roger W. Pisha, Supervisor, Internal Audit 

Subject: Report on Audit of Independent Activity Funds for the Period
April 1, 2013 through December 31, 2014

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are established to promote the general welfare, education, and morale of students as well as to finance the recognized extracurricular activities of the student body. Principals are the fiduciary agents for the IAFs charged with determining the manner in which funds are raised and expended for activities such as field trips, admission events, and fundraisers. They are responsible for ensuring that IAFs are administered in accordance with MCPS policies, regulations, and procedures.

IAF audits are conducted regularly to evaluate compliance with MCPS policies, regulations, and procedures, and to review processes for continuous improvement. Generally accepted audit procedures guide the work of the auditors who examine samples of IAF records and financial accounts selected from documentation of various activities to verify their accuracy as well as to assess the effectiveness of financial control procedures. An IAF audit does not review every transaction or school activity but seeks to provide reasonable assurance that there is compliance with MCPS policies, regulations, and procedures, and that any significant errors or omissions in the financial records are detected.

On January 29, 2015, we reviewed with you the status of the conditions described in our prior audit report dated May 8, 2013. We commend you and your staff for actions taken to resolve those conditions. While conducting this audit, we discussed and resolved several minor concerns with your business staff. No response to this report is necessary.
