MEMORANDUM

To: Mr. Alton E. Sumner, Principal
North Bethesda Middle School

From: Roger W. Pisha, Supervisor, Internal Audit

Subject: Report on Audit of Independent Activity Funds for the Period
November 1, 2011, through June 30, 2013

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are
established to promote the general welfare, education, and morale of students as well as to
finance the recognized extracurricular activities of the student body. Principals are the fiduciary
agents for the IAFs charged with determining the manner in which funds are raised and
expended for activities such as field trips, admission events, and fundraisers. They are
responsible for ensuring that IAFs are administered in accordance with MCPS policies,
regulations, and procedures.

IAF audits are conducted regularly to evaluate compliance with MCPS policies, regulations, and
procedures, and to review processes for continuous improvement. Generally accepted audit
procedures guide the work of the auditors who examine samples of IAF records and financial
accounts selected from documentation of various activities to verify their accuracy as well as to
assess the effectiveness of financial control procedures. An IAF audit does not review every
transaction or school activity but seeks to provide reasonable assurance that there is compliance
with MCPS policies, regulations, and procedures, and that any significant errors or omissions in
the financial records are detected.

In our meeting on August 16, 2013, with you, and Mrs. Julie Johnson, financial specialist, we
reviewed the status of the conditions described in our prior audit report dated January 10, 2012,
and the status of present conditions. This audit report presents the findings and
recommendations resulting from our examination of the IAF records and financial accounts for
your school for the period designated above.

Findings and Recommendations

In order to properly control receipts, they should be remitted promptly to the financial specialist,
counted in the presence of the remitter and a receipt issued. Checks should be restrictively
endorsed immediately upon receipt. We found instances in which there was a delay in
remittance of funds to the financial specialist. To improve controls, we recommend adoption of the procedures in the MCPS Financial Manual, pp. 7-3, 7-4.

Fund raising at the school must conform to the Guidelines for Sponsoring an Independent Activity Fund Fund Raiser. At the conclusion of each fund raising activity, the sponsor is required to submit a completion report to enable evaluation of the activity. We found that completion reports for several activities completed in the 2013 school year had not been submitted as of the dates of our visit. Following these internal control procedures provides for accountability of funds raised as well as the opportunity to evaluate the results at the conclusion of the event (see MCPS Financial Manual, p. 20-11).

MCPS Regulation DMB-RA, Control of Admission Receipts, provides procedures for the accounting for sales of admission tickets. While we found receipts from most events were properly controlled, tickets for the spring play were printed and numbered at the school by the event sponsor. This effectively eliminated the vital control that results from having all tickets distributed by a ticket controller who is independent of the event sponsor. We recommend that admission to all events be controlled in accordance with the above cited regulation.

Summary of Recommendations

- Funds collected must be promptly remitted by sponsors to the financial specialist (repeat);

- Fund raising must conform to Guidelines for Sponsoring an IAF Fund Raiser; and

- Admission events must be conducted in accordance with MCPS Regulation DMB-RA.

Other matters were discussed and satisfactorily resolved. We appreciated the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, Accounting for Financial Operations/Independent Activity Funds, please provide a response to the Internal Audit office within 30 days of this report, with a copy to Dr. Darryl L. Williams, associate superintendent of middle schools. The Office of School Support and Improvement will follow up on this audit.
