MEMORANDUM

To: Mr. Alton E. Sumner, Principal
    North Bethesda Middle School

From: Roger W. Pisha, Supervisor, Internal Audit

Subject: Report on Audit of Independent Activity Funds for the Period
         July 1, 2013, through November 30, 2015

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are
established to promote the general welfare, education, and morale of students as well as to
finance the recognized extracurricular activities of the student body. Principals are the fiduciary
agents for the IAFs charged with determining the manner in which funds are raised and
expended for activities such as field trips, admission events, and fundraisers. They are
responsible for ensuring that IAFs are administered in accordance with MCPS policies,
regulations, and procedures.

IAF audits are conducted regularly to evaluate compliance with MCPS policies, regulations, and
procedures, and to review processes for continuous improvement. Generally accepted audit
procedures guide the work of the auditors who examine samples of IAF records and financial
accounts selected from documentation of various activities to verify their accuracy as well as to
assess the effectiveness of financial control procedures. An IAF audit does not review every
transaction or school activity but seeks to provide reasonable assurance that there is compliance
with MCPS policies, regulations, and procedures, and that any significant errors or omissions in
the financial records are detected.

In our meeting on April 13, 2016, with you and Mrs. Julie Johnson, financial specialist, we
reviewed the status of the conditions described in our prior audit report dated August 19, 2013,
and the status of present conditions. This audit report presents the findings and
recommendations resulting from our examination of the IAF records and financial accounts for
your school for the period designated above.

Findings and Recommendations

Cash and checks collected by sponsors and others for IAF activities should be remitted promptly
and intact to the financial specialist. These receipts must be deposited promptly, and all receipts
must be deposited before each weekend or holiday (see MCPS Financial Manual, p.7-4). As
previously reported, some sponsors continued to hold fees collected rather than remitting them to the financial specialist on a daily basis. In addition, some expenses were paid out of collected funds, rather than being remitted and a separate reimbursement check requested. We also noted that the financial specialist was not always making deposits before each weekend or holiday. To minimize the risk of loss, all funds collected should be remitted daily. We recommend staff be encouraged to submit all cash and checks collected for IAF activities to the financial specialist for prompt deposit in accordance with MCPS policy and procedures.

MCPS Regulation DMB-RA, Control of Admission Receipts, provides procedures for the accounting for sales of admission tickets. We again found these procedures were not always followed. The unsold custom printed tickets for a multi-performance event were not retained for audit, and funds were collected at the door for one of these performances without issuing tickets because the admission manager ran out of tickets. We recommend that admission to all events be controlled in accordance with the above cited regulation.

Summary of Recommendations

- Cash control of school funds must be in accordance with chapter 7 of the MCPS Financial Manual (repeat); and

- Admission events must be conducted in accordance with MCPS Regulation DMB-RA (repeat).

Other matters were discussed and satisfactorily resolved. We appreciated the cooperation and assistance of your staff, especially Mrs. Johnson. In accordance with MCPS Regulation DIB-RA, Accounting for Financial Operations/Independent Activity Funds, please provide a response to the Internal Audit office within 30 days of this report, with a copy to Dr. Michael Zarchin, director of middle schools. The Office of School Support and Improvement will follow up on this audit.

All Sponsors of Field Trips, Fundraisers, and Other Activities:

Thank you all for your hard work in running field trips, sponsoring afterschool activities and fundraisers, and tracking library obligations. Thanks to your efforts and careful planning, our students have many exciting enrichments in their school lives. Many of those activities involve collecting funds and you are all excellent at keeping careful records. I know it is time-consuming to do it right – but you do! Thank you!

The results of our recent Financial Audit remind us that all sponsors handling school funds must make every effort to remit collected funds daily. Funds should not be held overnight and must never be held over a weekend or holiday. Thank you for your efforts to always bring collected funds on a daily basis.
