MEMORANDUM

To: Dr. Benjamin T. OuYang, Principal
   Parkland Magnet Middle School

From: Roger W. Pisha, Supervisor, Internal Audit

Subject: Report on Audit of Independent Activity Funds for the Period
         October 1, 2009, through February 29, 2012

This audit report presents the results of our examination of the financial records, reports, and internal accounting controls relating to the Independent Activity Funds (IAF) for your school for the period designated above. The examination was made to evaluate the adequacy of accountability over these funds, compliance with applicable Montgomery County Public Schools (MCPS) policies and procedures, and effectiveness of IAF management.

In our meeting on May 15, 2012, with you and Dr. Christopher Garran, community superintendent, we reviewed conditions described in our previous report dated January 15, 2010, and the status of present conditions. As noted below, we found material weaknesses in processes designed to ensure proper protection and use of school funds.

Findings and Recommendations

MCPS Financial Manual, Chapter 7: Cash Control of School Funds, and Chapter 20: Independent Activity Funds contain detailed procedures to ensure all funds due to a school are protected from loss or theft, and ensure that all MCPS policies and regulations are followed. Our review of the financial and other records at your school indicates that important control processes are not being followed. For example, we found the following:

- Important safeguards for the remittance, receipting and depositing of funds were largely ignored;
- Requirements for keeping accounting records and preparing of monthly reports are not being adhered to;
- Requirement for preparation of monthly sponsor reports were ignored;
- The required independent bank reconciliation was not being prepared;
- Requirements for keeping financial records for field trips were not adhered to; and
- Procedures for controlling admission receipts were not followed.
Although we normally make recommendations to address specific weaknesses we find during our review of IAF funds, we believe the systemic weaknesses in this situation requires an effort to reestablish all of the required internal control processes by whatever means available to you.

Other matters were discussed and satisfactorily resolved. We appreciated the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, Accounting for Financial Operations/Independent Activity Funds, please provide a response to the Internal Audit office within 30 days of this report, with a copy to Dr. Christopher Garran, community superintendent. The Office of School Support and Improvement will follow up on this audit.
