MEMORANDUM

To: Dr. Catherine R. Allie, Principal
    Potomac Elementary School

From: Roger W. Pisha, Supervisor, Internal Audit Unit

Subject: Report on Audit of Independent Activity Funds for the Period
         June 1, 2016, through April 30, 2019

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are
established to promote the general welfare, education, and morale of students, as well as to finance
the recognized extracurricular activities of the student-body. School principals are the fiduciary
agents for the IAFs charged with determining the manner in which funds are raised and expended
for activities such as field trips, admission events, and fundraisers. They are responsible for
ensuring that the IAFs are administered in accordance with Board of Education policies, MCPS
regulations, and procedures.

The IAF audits are conducted regularly to evaluate compliance with policies, regulations, and
procedures, and to review processes for continuous improvement. Generally accepted audit
procedures guide the work of the auditors who examine samples of the IAF records and financial
accounts selected from documentation of various activities to verify their accuracy, as well as to
assess the effectiveness of financial control procedures. An IAF audit does not review every
transaction or school activity, but seeks to provide reasonable assurance that any significant errors
or omissions in the financial records are detected.

At our May 22, 2019, meeting with you: Mrs. Anna O'Dwyer, school administrative secretary;
and Ms. Linda Chrisler, visiting bookkeeper, we reviewed the status of the conditions described
in our prior audit report dated July 6, 2016, and the status of present conditions. This audit report
presents the findings and recommendations resulting from our examination of the IAF records and
financial accounts for your school for the period designated above.

Findings and Recommendations

MCPS Form 280-54, Independent Activity Funds Request for a Purchase, is used to obtain
principal approval to proceed with an intended purchase. The purpose of each disbursement must
be fully explained on this form in order to properly record expenditures in appropriate accounts
and to ensure that expenditures comply with IAF requirements (refer to MCPS Financial Manual,
chapter 20, page 4). In our sample of disbursements, prior approval was not consistently obtained.
By requiring prior approval, the principal retains control over the expenditure of IAF funds. We recommend that MCPS Form 280-54 be prepared by staff and signed by the principal at the time verbal approval is sought.

Cash and checks collected for IAF activities by sponsors and other authorized individuals must be remitted with MCPS Form 280-34, Independent Activity Fund (IAF) Remittance Slip, to the school administrative secretary on the day the funds are received. We found instances in which staff collecting funds for field trips were holding funds rather than remitting them timely to the school administrative secretary, often with a partially completed remittance slip. To minimize the risk of loss, all funds collected should be remitted daily. We recommend that staff be encouraged to submit cash and checks collected for IAF activities to the school administrative secretary on the day collected for prompt deposit in accordance with MCPS policy and procedures.

Field trips must be conducted in accordance with MCPS Regulation IPD-RA, Travel-Study Programs, Field Trips, and Student Organization Trips. Trip approval forms signed by the principal, and the director of school support and improvement, when required, should be retained. Sponsors of field trips should have a complete class or club roster of student names to annotate the amount each student paid, date paid, eligible students who did not participate in the trip, and students who received waivers, scholarships, or reduced fees. This data, together with a list of all chaperones and volunteers, should be provided to the school administrative secretary at the completion of each trip, and compared to remittances recorded in the trip account history report (refer to MCPS Financial Manual, chapter 20, page 10). We found that not all sponsors are providing completed data at the conclusion of each trip and that data is not being compared to the final account history report. We recommend that all sponsors be required to use MCPS Form 280-41, Field Trip Accounting, or equivalent, and follow the procedures outlined above.

Summary of Recommendations

- Purchase requests must be approved by the principal prior to procurement.
- Cash and checks collected by sponsors must be promptly remitted with MCPS Form 280-34 to the school administrative secretary (repeat).
- Field trip records prepared by sponsors must provide comprehensive data to account for all students eligible to participate and to reconcile funds collected with costs of the trip (repeat).

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DI-A-RA, Accounting for Financial Operations Independent Activity Funds, using the attached form, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Dr. Peter O. Moran, director of learning, achievement, and administration, Office of School Support and Improvement. Based on the audit recommendations, Dr. Moran will indicate whether he will conduct an electronic review.
of your action plan or schedule a time to meet in person with you and your school administrative secretary to support you with developing a well-defined plan to address the findings.
