

Internal Audit Unit
MONTGOMERY COUNTY BOARD OF EDUCATION
Rockville, Maryland

January 6, 2023

MEMORANDUM

To: Mr. Christopher B. Nardi, Principal
Thomas W. Pyle Middle School

From: Mary J. Bergstresser, Supervisor, Internal Audit Unit 

Subject: Report on Audit of Independent Activity Funds for the Period
May 1, 2021, through October 31, 2022

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are established to promote the general welfare, education, and morale of students, as well as to finance the recognized extracurricular activities of the student body. School principals are the fiduciary agents for the IAFs charged with determining the manner in which funds are raised and expended for activities such as field trips, admission events, and fundraisers. They are responsible for ensuring that the IAFs are administered in accordance with Board of Education policies and MCPS regulations and procedures.

The IAF audits are conducted regularly to evaluate compliance with policies, regulations, and procedures, and to review processes for continuous improvement. Generally accepted audit procedures guide the work of the auditors who examine samples of the IAF records and financial accounts selected from documentation of various activities to verify their accuracy, as well as to assess the effectiveness of financial control procedures. An IAF audit does not review every transaction or school activity but seeks to provide reasonable assurance that any significant errors or omissions in the financial records are detected.

At our November 30, 2022, meeting with you and Ms. Joanne Petro, school financial specialist, we reviewed the prior audit report dated May 26, 2021, and the status of the present conditions. It should be noted that Ms. Petro's assignment as school financial specialist was effective July 1, 2021. This audit report presents the findings and recommendations resulting from our examination of the IAF records and financial accounts for your school for the period designated above.

Findings and Recommendations

MCPS Form 280-54, *Independent Activity Funds Request for a Purchase*, is used to obtain principal approval to proceed with an intended purchase (refer to the *MCPS Financial Manual*, chapter 20, page 4). The purpose of each disbursement must be fully explained on this form in order to properly record expenditures in appropriate accounts, and to ensure that expenditures comply with IAF requirements. Invoices for goods or services must be signed by the purchaser to

indicate satisfactory receipt. In our sample of disbursements, we found prior approval was not consistently obtained, and documentation was not always annotated by recipient to indicate purchased goods or services were satisfactorily received. By requiring prior approval, the principal retains control over the expenditure of IAF funds. We recommend that MCPS Form 280-54 be prepared by staff with an estimate of expected expenditure and signed by the principal at the time verbal approval is sought. We also recommend that purchasers sign invoices for goods or services to indicate satisfactory receipt of the quantity and quality of items. Certain sponsors would benefit from having an annual budget detailing expected income and expenses and obtaining your approval at the beginning of the school year. These budgets should be monitored by your business office and revised if necessary.

Use of the MCPS purchasing card must be in accordance with the requirements of the MCPS *Purchasing Card Users Guide*. By the fifth business day of the following month, cardholders must use the online reconciliation program to identify, describe, and review transactions. Monthly statements, or the statement of account landscape report, must be printed and provided to the principal, with all purchase receipts and invoices attached. The principal must review each cardholder's transactions and approve them by the 10th of the following month, using the online reconciliation program. We found that some cardholders had not promptly prepared their monthly statements, provided description of items purchased, indicated IAF account number when required, attached their purchase receipts, or reviewed their transactions in the online reconciliation program. We also found that the principal had not approved all transactions online. We recommend that action be taken to correct these conditions and bring purchasing card usage into conformity with MCPS requirements

Notice of Findings and Recommendations

- Purchase requests must be approved by the principal prior to procurement.
- Purchaser must confirm receipt of goods or services prior to disbursement of funds.
- Purchase card activity must comply with the MCPS Purchasing Card User's Guide.

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, *Accounting for Financial Operations/Independent Activity Funds*, using the attached action plan, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Dr. Donna Redmond Jones, director of school support and well-being, Office of Student Support and Well-Being, for written approval of your plan. Based on the audit recommendations, Dr. Redmond Jones will indicate whether she will conduct an electronic review of your action plan or schedule a time to meet in person with you and your school financial specialist to support you with developing a well-defined plan to address the findings.
