MONTGOMERY COUNTY BOARD OF EDUCATION  
Rockville, Maryland

MEMORANDUM

To: Mrs. Elise M. Burgess, Principal  
Dr. Sally K. Ride Elementary School

From: Mary J. Bergstresser, Acting Supervisor, Internal Audit Unit

Subject: Report on Audit of Independent Activity Funds for the Period  
September 1, 2016, through December 31, 2019

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are  
established to promote the general welfare, education, and morale of students, as well as to finance  
the recognized extracurricular activities of the student body. School principals are the fiduciary  
agents for the IAFs charged with determining the manner in which funds are raised and expended  
for activities such as field trips, admission events, and fundraisers. They are responsible for  
ensuring that the IAFs are administered in accordance with Board of Education policies, MCPS  
regulations, and procedures.

The IAF audits are conducted regularly to evaluate compliance with policies, regulations, and  
procedures, and to review processes for continuous improvement. Generally accepted audit  
procedures guide the work of the auditors who examine samples of the IAF records and financial  
accounts selected from documentation of various activities to verify their accuracy, as well as to  
assess the effectiveness of financial control procedures. An IAF audit does not review every  
transaction or school activity, but seeks to provide reasonable assurance that any significant errors  
or omissions in the financial records are detected.

At our February 20, 2020, meeting with you, and Mrs. Barbara M. Ruppel, school administrative  
secretary, we reviewed the prior audit report dated September 27, 2016, and the status of present  
conditions. It should be noted that your school administrative secretary’s assignment was effective  
August 9, 2019. This audit report presents the findings and recommendations resulting from our  
examination of the IAF records and financial accounts for your school for the period designated  
avove.

Findings and Recommendations

Cash and checks collected by sponsors and others for IAF activities must be remitted promptly to  
the school administrative secretary. Cash should be counted in the presence of the remitter and a  
receipt that is supported by the remittance slip should be issued promptly. These receipts must be  
deposited promptly and all receipts must be deposited on the last working day of each month before
each weekend or holiday (refer to the *MCPS Financial Manual*, Chapter 7, pp. 4-5). In your action plan dated October 4, 2016, you indicated that sponsors would remit funds on a daily basis to the school administrative secretary, and she would make prompt deposits, including on the last working day of the month and before each weekend or holiday. We found at times sponsors are holding fees collected rather than remitting them to the school administrative secretary on a daily basis. Large and infrequent deposits increase the possibility of loss of funds as well as decrease the school’s ability to fund activities. To minimize the risk of loss or theft and provide availability of funds to meet school needs, all funds collected must be remitted to the school administrative secretary daily for prompt deposit. In addition, all remittances on hand must be deposited before each weekend or holiday.

Field trips must be conducted in accordance with MCPS Regulation IPD-RA, *Travel-Study Programs, Field Trips and Student Organization Trips*. Sponsors of field trips must have a complete class or club roster of student names to annotate the amount each student paid, date paid, eligible students who did not participate in the trip, and students who received waivers, scholarships, or reduced fees. For any student who receives a waiver MCPS form 260-1, *Fee Waiver Record*, must be prepared and remitted to the school administrative secretary to retain for audit. This data, together with a list of all chaperones and volunteers, must be provided to the school administrative secretary at the completion of each trip, and compared to remittances recorded in the trip account history report (refer to the *MCPS Financial Manual*, chapter 20, page 10). We found that not all sponsors are providing completed data at the conclusion of each trip, and that data is not being compared to the final account history report. We recommend that trip sponsors be required to provide complete data at the conclusion of each trip, and this data be reconciled by the school administrative secretary with remittances recorded in activity accounts.

**Notice of Findings and Recommendations**

- Cash and checks (funds) collected by sponsors must be promptly remitted intact with MCPS Form 280-34, *Independent Activity Fund (IAF) Remittance Slip*, to the school administrative secretary (repeat).
- Field trip records prepared by sponsors must provide comprehensive data to account for all students eligible to participate, and school administrative secretary must reconcile funds collected with account history report.

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, *Accounting for Financial Operations/Independent Activity Funds*, using the attached form, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Mrs. Michelle E. Schultze, director of learning, achievement, and administration, Office of School Support and Improvement. Based on the audit recommendations, Mrs. Schultze will indicate whether she will conduct an electronic review of your action plan or schedule a time to meet in person with you and your school.
administrative secretary to support you with developing a well-defined plan to address the findings.
