MEMORANDUM

To: Mr. Damon A. Monteleone, Principal
    Richard Montgomery High School

From: Roger W. Pisha, Supervisor, Internal Audit

Subject: Report on Audit of Independent Activity Funds for the Period
         November 1, 2013, through March 31, 2015

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are
established to promote the general welfare, education, and morale of students as well as to
finance the recognized extracurricular activities of the student body. Principals are the fiduciary
agents for the IAFs charged with determining the manner in which funds are raised and
expended for activities such as field trips, admission events, and fundraisers. They are
responsible for ensuring that IAFs are administered in accordance with MCPS policies,
regulations, and procedures.

IAF audits are conducted regularly to evaluate compliance with MCPS policies, regulations, and
procedures, and to review processes for continuous improvement. Generally accepted audit
procedures guide the work of the auditors who examine samples of IAF records and financial
accounts selected from documentation of various activities to verify their accuracy as well as to
assess the effectiveness of financial control procedures. An IAF audit does not review every
transaction or school activity but seeks to provide reasonable assurance that there is compliance
with MCPS policies, regulations, and procedures, and that any significant errors or omissions in
the financial records are detected.

In our meeting on June 23, 2015, with you, Ms. Ozmarra Hernandez, business administrator,
and Mrs. Jennifer Yu, financial specialist, we reviewed the status of the conditions described in
our prior audit report dated January 9, 2014, and discussed further actions needed to strengthen
the accountability for IAF resources. This audit report presents the findings and
recommendations resulting from our examination of the IAF records and financial accounts for
your school for the period designated above.

Findings and Recommendations

While we commended you for progress made, some conditions continue to need improvement.
In order to properly control receipts, cash and checks collected by sponsors for IAF activities
should be remitted promptly and intact to the financial specialist together with a complete MCPS Form 280-34, Remittance Slip. The funds should be counted in the presence of the remitter, and a receipt that is supported by Form 280-34 promptly issued. Receipts must be deposited promptly, and always before each weekend or holiday (see MCPS Financial Manual, p. 7-4). We again found that some sponsors were holding funds collected rather than remitting them to the financial specialist on a daily basis. In addition, we noted that cash was not always counted in the presence of the remitter, and funds were not always promptly deposited. To minimize the risk of loss and provide assurance that available funds will be fully utilized to meet school needs, all funds collected should be remitted to the financial specialist daily for prompt deposit. To mitigate these weaknesses, we recommend strengthening internal control processes in accordance with MCPS procedures.

Summary of Recommendations

- Funds collected by sponsors must be promptly remitted (repeat) to the financial specialist, verified, and promptly deposited.

Other matters were discussed and satisfactorily resolved. We appreciated the cooperation and assistance of your staff, especially Ms. Hernandez and Mrs. Yu. In accordance with MCPS Regulation DIA-RA, Accounting for Financial Operations / Independent Activity Funds, please provide a response to the Internal Audit office within 30 days of this report, with a copy to Dr. Christopher S. Garran, associate superintendent of high schools. The Office of School Support and Improvement will follow up on this audit.
