MEMORANDUM

To: Mrs. Jewel A. Sanders, Principal
   Rosa M. Parks Middle School

From: Mary J Bergstresser, Acting Supervisor, Internal Audit Unit

Subject: Report on Audit of Independent Activity Funds for the Period
         January 1, 2018, through May 31, 2019

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are
established to promote the general welfare, education, and morale of students, as well as to
finance the recognized extracurricular activities of the student body. School principals are the
fiduciary agents for the IAFs charged with determining the manner in which funds are raised and
expended for activities such as field trips, admission events, and fundraisers. They are
responsible for ensuring that the IAFs are administered in accordance with Board of Education
policies, MCPS regulations, and procedures.

The IAF audits are conducted regularly to evaluate compliance with policies, regulations, and
procedures, and to review processes for continuous improvement. Generally accepted audit
procedures guide the work of the auditors who examine samples of the IAF records and financial
accounts selected from documentation of various activities to verify their accuracy, as well as to
assess the effectiveness of financial control procedures. An IAF audit does not review every
transaction or school activity, but seeks to provide reasonable assurance that any significant
errors or omissions in the financial records are detected.

At our June 28, 2019, meeting with you; and Mr. Albert Sisco, school financial specialist, we
reviewed our prior audit report dated February 14, 2018, and the status of present conditions.
This audit report presents the findings and recommendations resulting from our examination of
the IAF records and financial accounts for your school for the period designated above.

Findings and Recommendations

MCPS Form 280-54, Independent Activity Funds Request for a Purchase, is used to obtain the
principal’s approval to proceed with an intended purchase. After acquisition, the purchaser
should submit the invoice or documented evidence of purchase, annotated to indicate the
satisfactory receipt of the goods or services, to the school financial specialist. Upon
disbursement, the documentation is to be stamped or marked “paid” to preclude duplicate
payment (refer to MCPS Financial Manual, chapter 20, page 4). In our sample of disbursements,
we noted instances in which purchases were made prior to receiving the approval of the principal, receipts were not annotated by purchasers to indicate that purchased goods or services were satisfactorily received, and invoices supporting purchases were not stamped or marked "paid." We recommend that the IAF purchases comply with MCPS procedures.

Use of the MCPS purchasing card must be in accordance with the requirements of the *MCPS Purchasing Card User’s Guide*. By the fifth business day of the following month, cardholders must use the online reconciliation program to identify, describe, and review transactions. Monthly statements must be printed and provided to the principal or delegated approver, with all purchase receipts and invoices attached. The principal or delegated approver must review each cardholder’s transactions and approve them by the 10th of the following month, using the online reconciliation program. We noted that some cardholders had not promptly reviewed their transactions in the online reconciliation program. We also noted that the principal had not approved all of the online transactions as required. We recommend that action be taken to correct these conditions and bring purchasing card usage into conformity with the *MCPS Purchasing Card User’s Guide*.

To properly control funds, all cash and checks collected by sponsors for IAF activities should be remitted promptly to the school financial specialist. These funds should then be verified in the presence of the remitter and a receipt that is supported by MCPS Form 280-34, *Independent Activity Fund (IAF) Remittance Slip*, should be issued promptly (refer to *MCPS Financial Manual*, chapter 7, page 4). We found instances in which funds were held by sponsors rather than being remitted on a daily basis to the school financial specialist. To minimize the risk of loss and provide availability of funds to meet school needs, we recommend that all funds collected be remitted daily to the school financial specialist for prompt deposit.

Sixth grade students at each middle school in MCPS participate in a three-day, two-night residential outdoor environmental education program (OEEP) for which they are assessed a $76 fee to reimburse MCPS for the cost of personal expenses associated with the program. Students unable to pay the OEEP fee receive waivers that must be reported to MCPS so that the total amount of the invoice billed to schools is adjusted accordingly. A school also may charge an activity fee in addition to the OEEP fee. If the combined total amount a student can afford to pay for the OEEP fee, plus the school’s activity fee equals $76 or less, then the entire combined amount received from the student is to be remitted to OEEP (refer to *OEEP Grade 6 Residential Program Handbook and Planning Information*, page 44). We found that the school did not correctly report all funds collected from students who were identified as needing assistance which then resulted in an underpayment to MCPS. We also noted that you collected funds from more students than for whom you were billed, indicating an inaccurate head count. We recommend that you review the procedures for reporting students needing financial assistance with the OEEP sponsor and that the financial assistance forms are reviewed for accuracy before they are submitted. We also recommend that you reconcile your account to determine that all students who paid and attended were properly reported to MCPS.
Summary of Recommendations

- Purchase requests must be approved by the principal prior to procurement (repeat).
- Purchaser must confirm receipt of goods or services prior to disbursement (repeat).
- Purchase invoices must be annotated as “paid” to indicate disbursement was made.
- Purchase card activity must comply with the MCPS Purchasing Card User’s Guide.
- Funds collected by sponsors must be promptly remitted to the school financial specialist (repeat).
- OEEP sponsor records must correctly report funds collected and waivers granted for all participating students.

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, Accounting for Financial Operations/Independent Activity Funds, using the attached form, please provide a written response to the Internal Audit Unit within 30 calendar days of this report.
