MEMORANDUM

To: Mrs. Kimberly N. Hayden Williams, Principal
Col. E. Brooke Lee Middle School

From: Roger W. Pisha, Supervisor, Internal Audit Unit

Subject: Report on Audit of Independent Activity Funds for the Period
June 1, 2017, through December 31, 2018

Independent Activity Funds (IAFs) of Montgomery County Public Schools (MCPS) are established to promote the general welfare, education, and morale of students, as well as to finance the recognized extracurricular activities of the student body. School principals are the fiduciary agents for the IAFs charged with determining the manner in which funds are raised and expended for activities such as field trips, admission events, and fundraisers. They are responsible for ensuring that the IAFs are administered in accordance with Board of Education policies, MCPS regulations, and procedures.

The IAF audits are conducted regularly to evaluate compliance with policies, regulations, and procedures, and to review processes for continuous improvement. Generally accepted audit procedures guide the work of the auditors who examine samples of the IAF records and financial accounts selected from documentation of various activities to verify their accuracy, as well as to assess the effectiveness of financial control procedures. An IAF audit does not review every transaction or school activity, but seeks to provide reasonable assurance that any significant errors or omissions in the financial records are detected.

At our February 13, 2019, meeting with you and Mrs. Sharon A. Zitomer, school financial specialist, we reviewed the status of the conditions described in our prior audit report dated July 5, 2017, and the status of present conditions. This audit report presents the findings and recommendations resulting from our examination of the IAF records and financial accounts for your school for the period designated above.

Findings and Recommendations

Use of the MCPS purchasing card must be in accordance with the requirements of the MCPS Purchasing Card User’s Guide. By the fifth business day of the following month, cardholders must use the online reconciliation program to identify, describe, and review transactions. Monthly statements must be printed and provided to the principal, with all purchase receipts and invoices attached. The principal must review each cardholder’s transactions and approve them by the tenth
of the following month, using the online reconciliation program. We found that MCPS purchasing card requirements were not followed for making purchases and reporting for the principal’s review. We recommend that action be taken to correct these conditions and bring purchasing card usage into conformity with MCPS requirements.

Sixth grade students at each middle school in MCPS participate in a three-day, two-night residential outdoor environmental education program (OEEP) for which they are assessed an activity fee to reimburse MCPS for personal expenses associated with the program. Students unable to pay the OEEP activity fee receive waivers. Any waivers must be reported to MCPS so that the total amount of the invoice billed to schools is adjusted accordingly. We found that the school did not correctly report all funds collected from students that resulted in an unexplained excess collection of fees and/or underpayment to MCPS. We recommend that you review the procedures for reporting students needing financial assistance with the sponsor and that financial assistance forms are reviewed for accuracy before they are submitted.

Summary of Recommendations

- Purchase card activity must comply with the MCPS Purchasing Card User’s Guide.
- OEEP (Outdoor Environmental Education Program) sponsor records must correctly report funds collected and waivers granted for all participating students (repeat).

Other matters were discussed and satisfactorily resolved. We appreciate the cooperation and assistance of your staff. In accordance with MCPS Regulation DIA-RA, Accounting for Financial Operations/Independent Activity Funds, using the attached form, please provide a written response to the Internal Audit Unit within 30 calendar days of this report. In your response, please share a detailed plan for addressing these issues, including appropriate staff training and support.

Prior to returning your completed audit action plan, please contact Dr. Sarah E. Sirgo, director of learning, achievement, and administration, Office of School Support and Improvement. Based on the audit recommendations, Dr. Sirgo will indicate whether she will conduct an electronic review of your action plan or schedule a time to meet in person with you and your school financial specialist to support you with developing a well-defined plan to address the findings.
